Dear Parents and Carers

Scopay

Please can I remind you to check funds on your Scopay accounts to ensure that there is enough money on there for your child to have some lunch at school. Whilst we will never let a child go hungry at lunchtime and can arrange an overdraft, if there isn't enough money on pupils accounts it increases the time that other pupils spend in the queue for lunch.

Year 11 Revision

Some pupils have approached me regarding support with completing a revision timetable. I will meet with these pupils over the coming weeks to help and support them in creating a timetable that is suitable and manageable for them. Please get in touch with me if this is something that would be beneficial to your child. I have also attached a blank revision timetable to the Year 11 bulletin that you can download and print at home. We advise pupils to start their revision as soon as possible to get into a routine and then they can build up their timetable throughout Year 11.

As Year 11 pupils are working so hard in their lessons, I thought it would be nice to run an inter-tutor competition throughout the month of December. I did this last year with the pupils, and they really enjoyed it and it did get very competitive at times! Each week in December I will put on a Christmas themed activity for the pupils to take part in during tutor time. There will be lots of prizes up for grabs and I will keep you posted with the results!

I would just like to finish by saying well done to Year 11 once again for continuing to give their all to their studies. Each time I visit a Year 11 lesson I could not be prouder of how well they are working. It is lovely to see. I know it might feel overwhelming at times, but **you've got this** Year 11! Keep up the fantastic work! 😊

Have a great weekend.

History Club

History Club continued this week by looking at the influence of Black Britons on Britain since 1945, focusing on the impact of the Windrush Generation. Next week we are looking at how women have defied stereotypes and expectations throughout history.

I look forward to seeing you all there.

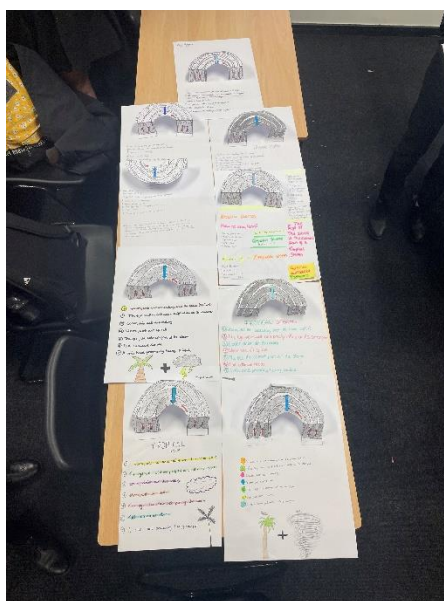

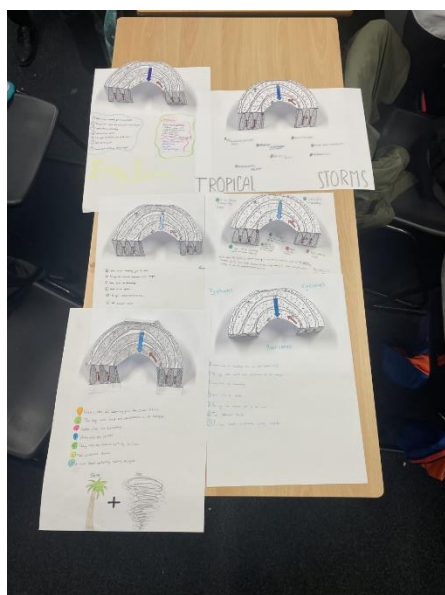

Mr Pople

Geography Horizon Programme

This week the Horizon Programme explored the formation and structure of tropical storms! These vast, low-pressure weather systems, (also known as hurricanes, cyclones and typhoons), are large enough to be seen from space and can impact millions of people every year. Our students discussed what conditions are required for them to form and then set about making and annotating their own! Another great week guys, well done!

Mrs Harris

Apodochi Club

Following on from recent Bingo and Just Dance afternoons, The Apodochi Club held a bake off on Monday night which was judged by Mrs Taylor, one of our Assistant Head Teachers. Everyone had great fun baking their cakes, not to mention making a lot of noise and mess. We can't wait for the next event.
