26 March 2021

Dear Parents and Carers

It has been a very productive week, and we are pleased that we have now been able to reassure Year 11 pupils about the route to their GCSE's, and to ensure that they feel fully supported in the coming weeks as their time at Toynbee comes to a close.

Geography Stars of the Month

The pupils listed below have all received Geography Stars of the Month. Well done!

Jack F 7WS	Henry S 7TI	Anna W 7HA	Leo M 7LP
Ayla J 7LP	Pearl K 7FM	Joshua W 8NP	Thomas L 9KA
Mel P 9RD	Isobel J 9GA	Tom F 10CF	Luke B 10LD
Erin P 10CP	Parsa S 10SK		

Science Stars of the Week

Each of the following pupils have shone in their science lessons this week. They have therefore been awarded science star of the week. Well done all of you. Keep up the hard work.

Face masks

In line with Government guidance, please can you make sure that your child brings a face mask, and ideally a spare one if possible, to school with them every day, unless they are exempt from wearing one.

School timetable

Next week is WEEK A on your lesson timetables.

Bikes

We have been informed of some attempted bike thefts in the area. Although we do lock our bike sheds during school hours, please can you ensure that your child has a secure lock for their bike, that bikes are put in the bike sheds, and not locked to any railings around the school site.

Pupils using crutches

A reminder that if a pupil needs to use crutches in school this will need to be discussed with Mrs H Thompson in the first instance, as will need to complete a risk assessment and you will need to sign a parental agreement.

A Message from Skoolkit

We are very excited to re-open our shops on Monday 12th April. It has been incredibly frustrating for us having to keep our shops closed especially after children returned back to school on 8th March. This created a surge in orders being placed through our website, so thank you for your patience while we worked through them. Even though we are heading towards an ease in restrictions, upon returning to our shops on 12th April please be aware we will still be observing all current government guidelines so there may be queues at times and service may take a little longer but we aim to move customers through as quickly and safely as possible.

- Please wear a face covering when entering our shop.
- Use hand sanitiser in-store.
- Use the one-way flow system to keep social distance.
- Unfortunately, still no use of fitting rooms.
- Please come prepared with size information. (refer to www.skoolkit.co.uk for size guides)

Covid testing

I will be writing to you next week about issuing Covid LFT home tests to see you through the Easter break.

Ollie K from 7PI was the last pupil at Toynbee to have a Covid LFT test last week. A big thumbs up from Ollie, Mr Robinson, and the mystery person from the testing station next door.....

Year 7

Have now fully settled back into Toynbee life like they have never been away! It has been lovely to see so many of them attend the extra circular sports clubs. After the Easter break, we are starting up the Year 7 stress busting yoga & mindfulness club again. Those booked on the original course have first priority on the spaces, but we do have space for a few more if this is something of interest to you. We will also be starting a year 7 Litter Bug Club which will see us be pro-active in cleaning up our school in return for Achievement Points!

I would like to take this opportunity to say that over the last few weeks I have had one to one catch ups with pupils that have been struggling on a wellbeing level. If you think that your son or daughter would benefit from some pastoral support, then please let me know.

The Year 7s continue to work hard towards gaining Achievement Points, and this week Ian S in 7LK reached the over 150 Milestone. BIG congratulations to Ian.

As always please don't hesitate to contact me with any concerns or worries Year 7 wise.
