

Toynbee

05 February 2021

Dear Parents and Carers

I hope you are well and that your children are continuing to adjust to the ever changing remote learning timetable.

Inset day – February 22nd

This will now be moved to a date later in the year. Learning both in school for children of key workers, and remote learning will begin as normal after the half term break on Monday February 22nd. As soon as we have a new date for Inset day we will let you know.

Eastleigh School Nursing Team

Eastleigh School Nursing Team have produced a Family Wellbeing Pack for parents and pupils. It contains very useful information to help everyone, from ideas to help with mental wellbeing (for children and adults) to links for Home School resources for Key Stages 1 and 2 plus young people. The pack is available on the [Hampshire Healthy Families Portal](#) website in the News and Updates section ([News and Updates : Hampshire Healthy Families](#))

Year 7

One of our pupils is doing a Fundraiser for the NHS on the 16th February by racing for 12hrs in a F1 car in my home simulator. My brother and dad will be filling in when I am eating and having bathroom breaks. All the money I raise will be given to NHS Charities Together because of their incredible work over the past months. Further information can be found at the GoFundMe link below.

Art

There has been some fab art work submitted this half term. Here are some examples from year 7 and 8. Keep up the great work.

I hope you have a lovely weekend

Matthew
