# GCSEPod

The school pays a subscription for you all to be able to use GCSEPod.

To log in for the first time you will need your name as it appears on the register, your date of birth and the name of the school.

If you have already logged in and cannot remember your details, you can log in as a new user and it will remind you of your user name and give a password hint (if you set one up).

If you still cannot get on, then any teacher has the means to reset your password (or you can see Mrs Dalton)

# Getting started

Type GCSEPod into a search engine, or use the link from the school homepage.
