19 March 2021

Dear Parents and Carers

It has been an extremely busy week, and I would like to thank all the staff who enabled us to complete the Covid testing in such an efficient and professional way. The pupils were an absolute credit during this, and as you are aware we have sent you kits to continue this process at home. I will be updating you again about this next week as we have now received a further supply of kits for the Easter period.

Please can I remind pupils that the correct school uniform must be worn at all times, and we have not relaxed our rules on this. Blazers and ties must be worn. Replacement ties can be purchased from reception for £5, and blazers can be ordered via the Skool Kit website. If you are cold you can wear either a plain black V neck jumper or a coat. Hoodies are not permitted. If you have any specific issues relating to uniform please refer them to your guidance manager who will assist and support you.

Drama

This week, our entrants to the National Theatre "New Views" scriptwriting competition took part in some online sessions, with our partner professional playwright, Deborah Gearing. Deborah gave feedback to the pupils on their first drafts, and made suggestions of how they might move forward to their final plays! Both Deborah and I were really impressed at the work and creativity that had gone into these plays, and we can't wait to read the final drafts! Well done to Daisy, Anisha, Lewis, Sam, Cora, Josie and Martha in Yr 10!

Mrs Azor

School timetable

Next week is WEEK B on your school timetables.

Science stars of the week

Each of the following pupils has shone in their science lessons this week. They have therefore been awarded science star of the week.

Honor 7Ws
Grace 8NP
George 9RD
Daisy 10PD
George 11AZ

Well done all of you. Keep up the hard work.

PE Lessons

The PE department have been very impressed with the attitude and effort levels demonstrated by the students. Year 7 and 8 are in the middle of an inter tutor group competition with one of their weekly lessons being a fitness-based competition and the other lesson being a games competition. Results are being posted on the department's social media platforms. We are unable to loan out spare kit for lessons, so it is really important that students remember their kit on their PE days. If the kit is in the wash or they have misplaced an item of clothing, they can wear a suitable sportswear replacement for the lesson.

Toynbee

Our U13 National cup winners finally received their winners' medals.

Easter food hampers

Once again, the Parish of Chandler's Ford, with the support of Chandler's Ford Help and local supermarkets, will be providing free food boxes to ANYONE who may need help during Easter. In February half term they supported 80 families by providing food hampers. Please see the attached leaflet if this is something that you would find helpful.

Have a great weekend, fingers crossed for nice weather!
Matthew
