

23 April 2021

Dear Parents and Carers

Pupils have returned from the Easter Break full of enthusiasm, which has been great to see. Thank you for making sure that our pupils are wearing the correct school uniform – it really does make a difference.

National Theatre Scriptwriting competition

I am extremely proud of the seven Year 10 pupils who have completed and submitted plays for this years "New Views" National Theatre Scriptwriting competition. To complete this, despite lockdown, and whilst negotiating their workload once they returned to school, was a fantastic achievement. We are keeping everything crossed for them, and wish them luck in the next stage of the competition! Pupils were: Daisy B, Martha C, Cora G, Sam H, Anisha K, Josie M and Lewis S. Well done all of you!

Mrs Azor

Pupils leaving school during the school day

We have had a few instances in school over the past couple of days where pupils are excusing themselves from class and then calling their parents from the toilets and asking them to collect them from school as they are feeling anxious, and not letting Guidance Managers or the Medical Room know that they are feeling unwell and have gone home. If pupils do start to feel unwell or anxious in class, please let your teacher or Guidance Manager know, or report to the Medical Room and we can follow the procedures that are set in place for this situation.

School timetable

Next week is **WEEK A** on your lesson timetables.

Science star of the week.

The pupils below have been awarded science star of the week for their year group. Well done all of you.

Lowenna 7WS
Savannah 8NP
Molly 9MK
Euan 10 LD
Jasmine 11PT

Covid LFT tests

Over the next 10 days we will again be sending pupils home with a supply of Lateral Flow test kits. It is vital that staff and students continue to test twice weekly in order to identify asymptomatic cases of coronavirus (COVID-19) and prevent the spread of the virus.

Cycling to and from school

Unfortunately we had a bicycle stolen from the school grounds this week. Please can you make sure that if your child cycles to school, they do so safely with consideration to other people, and lock their bikes in the lockable bikesheds at school (and not attached to railings) so that this does not happen again.

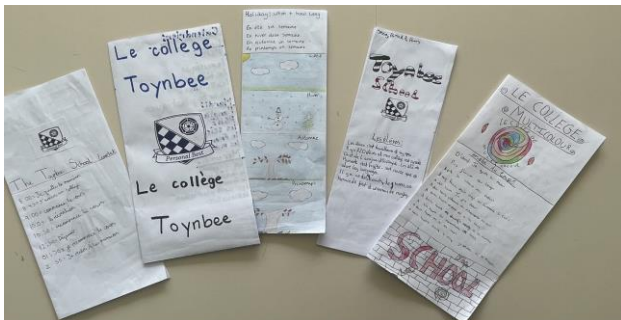

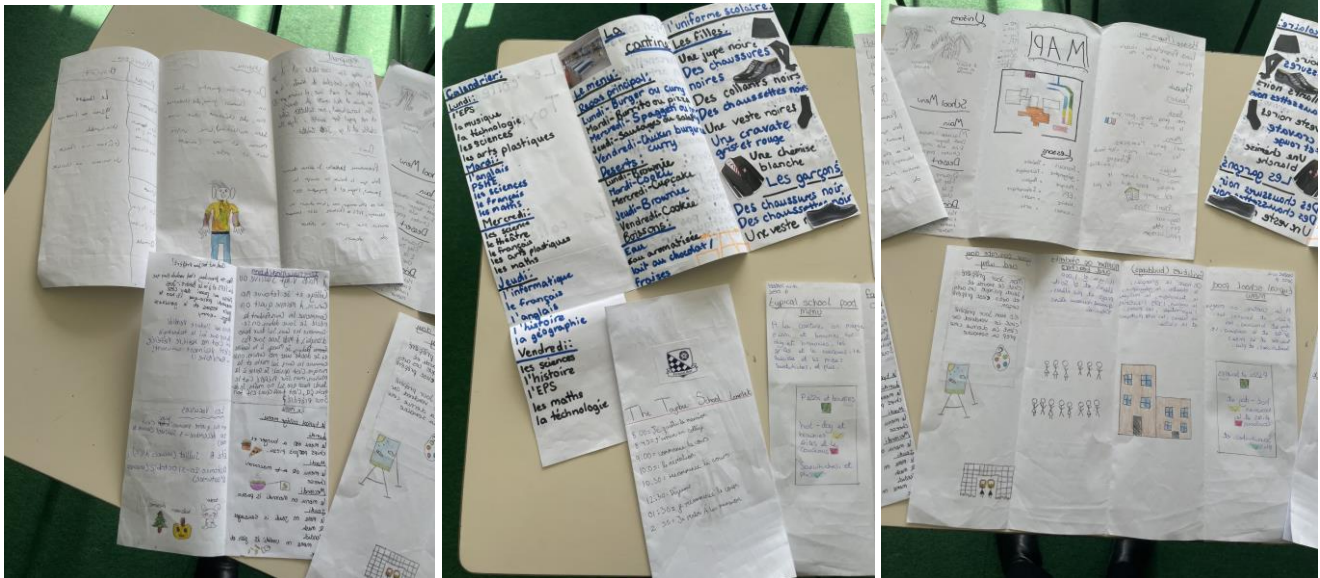

French lessons in Year 7

Toynbee

As a way of revising what had been taught during the latest lockdown, two Year 7 classes (7Ti and 7Pi) worked on a project to design a leaflet for Toynbee in French. They had to cover aspects such as the school day, the uniform, opinions on subjects (and teachers!), dates of holidays and the canteen menu. The students did a fantastic job and produced some amazing leaflets!

Featured in the photos below is the work from: Jessica G, Esme L, Paris D, Ethan L, Kwaku A-F, Corbin D, Christian D, Alannah B, Keira M, Isabel W-H, Jessica P, Alex D, Esteban B, Daniel J and Henry S.

Homework Club

Homework club is back up and running from 3pm – 4pm, Monday – Thursday and all pupils are welcome! Please go to the Learning Support department who will then advise pupils where this will be held depending on the numbers and tutor groups attending.

PE extracurricular clubs

All clubs are open to all pupils (within the specified bubble), with both a recreational and competitive nature according to the activity and participants. Pupils should wear PE kit but if that conflicts with washing after PE lessons, then other appropriate sportswear is acceptable. There is the possibility that fixtures versus other

Toynbee

schools may be permitted this term so we would like to see those interested in representing the school in activities such as athletics, cricket and rounders attending these clubs.

Due to missing the entire summer season last year, we expect those on (or about to opt for) GCSE PE/SS and likely to require athletics as an assessed activity to attend athletics club, as this will support their exam course practical lessons.

At this time, due to the bubble policy, we cannot run all the activities for all year groups. If numbers for an activity/bubble are low, we may look to replace that activity for another, this may also mean that fixtures for that activity are not scheduled as to allow others the opportunity.
